

BONUS FORM

January 1, 2001 through December 31, 2001

APPLICANT:

Municipality _____ County: _____

Recycling Coordinator: _____ Phone: _____

NOTE: The following materials are considered municipal solid waste (MSW) derived recyclable materials and may be eligible for the bonus grant if your municipality actually collected and transported the materials through either the town's public works department or through a direct contract between the town and the hauler. Only these specific MSW derived recyclable materials shall be eligible for a bonus grant.
